

Combination Technician

East Buchanan Telephone Cooperative

Are you looking for a great job with a great team and great benefits?

Due to an upcoming retirement, EBTC is looking for our next awesome technician during this exciting time of bringing fiber optic Internet to our cooperative members and others lacking reliable Internet service. Great benefits including paid healthcare premiums for medical, vision, and dental coverage along with a generous Health Savings Account awaits. Paid holidays, life insurance, 401(k), and discounted services are included. Apply today!

Responsibilities include:

- Installation and maintenance of copper and digital circuits
- Locating of underground fiber and copper facilities
- Converting customers from copper to fiber including fiber splicing
- Report and perform work as assigned
- Complete service order and trouble tickets
- Installing wireless Internet services

Experience/Skills:

- Installation and maintenance of Broadband Services is preferred
- FTTH experience is preferred
- Fiber splicing experience is preferred
- Experience working with fiber test equipment is preferred
- Individual needs to be very customer oriented, pleasant, and a team player
- Computer experience is critical

Additional Information:

- Employment is for a full-time position
- Individual would be required to be on call for a 7-day period on a rotation basis with other technicians – currently one week per month
- EBTC offers competitive wages and a benefit package
- Pre-Employment Drug Screen required
- Completion of satisfactory background check required
- Motor Vehicle Record (MVR) required
- Valid Iowa Driver's License is required.
- EBTC is an Equal Opportunity Employer (EOE)
